Глобализация мировых процессов неизбежно приводит к интернационализации высшего образования, одним из последствий которой является интернационализация каждого вуза, вовлекаемого в мировую образовательную среду, что в свою очередь приводит к укреплению международного сотрудничества в образовании.

Развитие международных связей играет существенную роль в процессе интеграции вузов Таджикистана в международное образовательное пространство и также является основным фактором способствующим формированию качественно новых трудовых ресурсов.

Современные вузы предполагают активное включение интернационализации образования во все сферы деятельности – образовательной, научной, исследовательской и административной.¹

Интеграция Таджикистана в мировое образовательное пространство требует модернизации управления системой высшего образования, которая положительно влияет на развитие общества. И интернационализация высшего образования является одним из факторов такой модернизации. Меняется роль образования в современном инновационном мире, и система образования должна адаптироваться к любым изменениям. Для обеспечения качественного образования, его равной доступности для всех граждан необходимо создать механизмы, ориентированные не только на внутренние социально-

ХОРОГ, 17. 10. 2020 /ХОРОГСКИЙ ГОСУДАРСТВЕННЫЙ УНИВЕРСИТЕТ/ Сегодня, 17 октября, в Хорогском государственном университете празднуют Erasmus +Day.

Церемонию праздника открыл проректор по воспитательной работе Камбаров Ниёзали. Проректор по международным отношениям ХоГУ Сайфуллоева Ольга познакомила всех студентов и присутствующих с деятельностью программы Эразмуса, а также с действующими проектами, реализуемыми в университете и отметила, что уже 12 лет университет участвует в различных международных проектах.

За этот период более 170 преподавателей и более 120 студентов участвовали в различных образовательных программах, семинарах, летних школах в рамках проектов. Координаторы текущих проектов Гафурова Мохинав, Давлаткадамов Анбоз и Мардонова Точигул рассказали о деятельности проектов UNICAC, TRIGGER AND HiEdTec реализуемые в настоящее время в ХоГУ.

Студенты, которые проходили стажировку по программе мобильности Шамси Наврузов и Авазбек Иргашов поделились своим опытом со студентами, рассказали об опыте прохождения обучения в Европейских университетах.

В мероприятии участвовали студенты всех факультетов. Были проведены различные развлекательные конкурсы.
